The Public Participation Plan will incorporate the following:

1. All meetings for the planning process will be posted and open to the public.
2. Plan related materials will be available at the Town Hall for review by the public.
3. The draft plan and maps will be available on a website for review by the public.
4. A public hearing will be held to solicit comment from the public.
5. The Comprehensive Plan will be distributed as outlined in state statute.

The Plan Commission will review and recommend adoption of the Comprehensive Plan to the Town Board.

II. Implementation, Evaluation & Update:

The Comprehensive Plan will be used as a general guideline for development in the Town. The plan will support the existing zoning and other regulations that the Town has in place.

As with all plans, it is critical for the Comprehensive Plan to be maintained and updated on a regular basis to keep it current as things change.
